INFORMATION DISCLOSURE STATEMENT

Commissioner of Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

The Information Disclosure Statement filed December 28, 2001 contained typographical errors in that the publication date of KR 92-10788 should have been listed as **June 27, 1992** instead of June 25, 1992. Further, the publication date of JP 04-299566 should have been listed as **October 22, 1992** instead of May 18, 1993. The Examiner has previously considered these references and it is respectfully requested that the correct publication dates be correctly listed on any issued patent. This Correction to Information Disclosure Statement is being filed together with the payment of the issue fee.

Respectfully submitted,
